A boiler in the lilinois Central Railroad freight depot, expladed this moraing, instantly killing the engineer, Robert Hall. A place of the boiler, weighing about aton, was forced upware through the roof's veral hundred fest and fell dive hundred feet from the original position, crashing through the powement. The cause of the explosion is unknown.

ry to oraquire into the experience of the senite proceedings for the associated press.

Mr. Sherman, from the committee on agriculture, reported the House bill to prohibit the importation of cattle, so as to prevent the spread of disease.

Mr. Stewart submitted a Joint Resolution subscription of cattle, so as to prevent the spread of disease.

Mr. Stewart submitted a Joint Resolution subscription of cattle, so as to prevent the spread of disease.

Mr. Stewart submitted a Joint Resolution subscription of the United States.

First. The Union of States under the Constitution is undissolutely, and no State can absolve its clitzens from the obligation of paramount allegiance to the United States,
Second, No engagement made or obligation secured by any State or by any number of states, or by any county, city or other municipal corporation, to subvert, impair or resist the authority of the United States, or to support or ald any legislature, convention or body in hostility to such authority, shall ever be hald valid, or be assumed or sustained in whole or in part by any State, or by the United States.

The resolution was referred to the Judiciary Committee.

On motion of Mr. Summer, the Senate took up the resolution using for information is regard to the employment of persons in the Tressury Department who have not taken the oath of allegiance, and whether there are persons employed and paid for offices not provided by law. The resolution was passed.

Mr. Washburn called up a bill to maintain the freedom of the inhabitants of the States declared to be in insurrection and rebellion by the proclamation of the President of the first of July, 1889 it declares all laws heretofore in force or held raild in he historrectionary 8 stee, whereby any locquality of civil rights and immunities among the Inhabitants of these States exists of the states of the states

Mr. Schenck. from the Committee on Mritary Affairs, reported a joint resolution, requesting the President to suspend any order mustering out the officers of the Veteran Reserve Corps, until Congress shall have time to consider what disposition shall be made of the Corps.

A trief debate occurred on the resolution, during which Mr. Schenck said that the privates belonging to the corps, had for the greater part been mustered out, and the question now was, what is to be done with the officers. The officers should not be summarily dismissed out of the service, they having families dependent upon them for support. and escaped to Frn. cc.

Bill for Exclusion of Cattle Pisque—Rebel's Sentence Commuted—The Test Oath.

Washington, Dec. 13.—The bill to prevent, for the present, the importation of foreign cattle, to der to gard against the pisque, has a for the present, the importation of foreign cattle, to der to gard a sgainst the pisque, has a for the present, the importation of foreign cattle, to der to gard a sgainst the pisque, has a for the present of the bouses of Congress and only requires the President's diparation of the corps, hat for the greater part been mustered out, and the question now was, what is to be done with the origin to the corps, hat for the greater part been mustered out, and the question now was, what is to be done with the president president to be some original to the communication of the service, they having families dependent upon them for support.

Remarks by other members were made when the service to be a foreign to the constitution all to the United States Supreme Court to be readmitted to that bar without being required to take the oath of loyally as prescribed by Congress.

The constitutionality of the test oath will be argued on Friday.

A joint special committee of the two houses of Congress, on the death of President Lincoln, held a meeting to day. It is understood that they will make a report in favor of memorial services in February, with Hon. E. M. Stauton as orator for the occasion.
