At Bates & Bell's. Viginia Loyalty A Myth. The Richmond (Va.) correspondent of the New York Headd ary that Senator Williams, of the Reconstruction Committee, has related Fichmond, to make inquiries as to the sate of public sentiment there, and says: "Emator Williams has learned first that Vir-ginla loyalty, as represented in both houses of the State Legitlature and in the social diricles of Richmond, is well night an absolute myth. His observations further teach him that the people have an enlarged porsonal respect for President Johnson, but are uterly dervid of respect for and tolerance of the United States government; incace this perional regret for the President by reacon of his Iberal course towards tham they look upon as the very eraitation of loyasty. His fondners, messampled in all bistory, under the circumstances of the Outled States government; is of the contederary as a bounded jaili-cies of the contederary as a bounded jaili-dies of the contederary as a bounded jaili-going of the logical armsing against the integ-rity of the Union, which was completely felted by the powers of the foderal armsing and rerwhelm-ing popped to the Congress of the United States and sills functional and legislative ten-dencies, oring to the persistent of ine State re toward and sills functional and legislative ten-dencies, oring to the persistent refrast to ad-mith 6 Southerm delegates to their seasts in eith-er house at Washington. They had condidentive voniced, by virtue of the connexis of the Union, which was contravening conservatives at the North to end and the powers of confederate as the low delegates to their states and sill is functional and legislative ter-dencies, oring to the powers of the Union, which was errore at Washington. They had condidentive vonted, by virtue of the connexis of the united States and contenes of the opiler overtain of the balary with these conservatives at the North, to enter the connexis of the opiler overtaring, itegli-ed and slave driving autocrat of 2.001 5. P. 11, 311. Vrginija Loyalty A Myth.

Message of the Governor of Ohio.

Smuggling Goods over the Icc,

A. Har. Bobert Kennedy, W. K. Vamkirk, dr. Harbugh. A. P. Thomas. That it is more pressure than pala to have teeth intrastic [mder the influence of the gas, the fol-lowing issuince: have been selected which pa-hents have written exposite their names. Whit, daths slightest pain, in unint trupted dream. By a fortigate of 14stc-din trom Chelmati, would some from Ergland. Bless the lord 10, any nervel Thought I was soling up in the air holding cato the slightest drawn without knowing. Hully 1 Never told the fruthbut once-that gut now. Absolutely did not know it was done ull done. No more old-fashioned dentistry for me; my seeond operation with gas; have tried ether; most arnestly recommend the nitrous oxide. I bicas the doctor who sent us here. Very pleasant dreams. Operation perfective ublime, was sick and nervous; wived no usin, but wonderfully reirashed afterards, Fishould never have a tooth drawn with-at it. Would not believe it. Very pleasant

A great improvement in the barbarous art of Indeed, Harmless, reliable, and fwithout pain. Delighted with the orbitation, Much more contained.

Delighted with the operation. Much mörg could be given which has been said in its fiver, but thinking this encagh. I will call your attention to the fact that we are gring beauftal particles it tech were schop at this time. -O. Sill, Dentits, Sie Pean street.

ed and slave driving autocratof other days." Message of the Governor of Ohlo. CINCINNATI, Dec. 31.—The Oh'o Legislature assembles to-merrow. Gov. Anderson's message is very lengthy, and a devoted principally to. State atlants. The lessituitions of the State are represented to be la a fobrishing coadition. The total receipte of the State from all cources during the facel year, amounted to thirteen mil-lons, one hundred and nincy thousand sollars, against eight millions, six hundred thousand dollars in 1564. The total disbursements are twelve millions four hundred thousand dollars, against is millions six hundred thousand dollars, against is millions is hundred thousand dollars, against is millions are hundred thousand dollars, against is millions are hundred thousand dollars, against is millions are hundred thousand dollars, against is millions for head the set is 13,000. Oto against \$13,500,000 in 1354, showing a diminution of over \$500,000. The Governor devoits considerable space to the rallroads of the State, which have become of immuso value to the stockbalders' and people of the State. The advocates some legis-lation for the protection of the Birse, property, and a modification of the carolinent process. In speaking of the Geventor asys that it was no part of the intent or corpectation, this these noble patiots, volunteering to fight the south, whether as to whites or blacks, still less to be marched to the Rine of and in order to elimet the Union, were to be desided as police parts the field and properly conquered. He rays since entering upon the discharge of his duites as Gevernor of Ohlo, the trays have been added and properly conquered. He rays since entering upon the discharge of his duites as Gevernor of Ohlo, the discharge of his duites as Gevernor of Ohlo, the discharge of his duites as Gevernor of Ohlo, the discharge of his duites as Gevernor of Ohlo, the discharge of his duites as Gevernor of Ohlo, the discharge of his duites as Gevernor of Ohlo, the di pointed Chie. of the State Claim Division in fry Third Auditor's office, Trassury Department Hon. John Wilson, Third Auditor, was present ed to.day, by the clerks of his burear, with a magnificent sliver pitcher, costing \$175,and Mr. Gangewer, chief clerk, with a handsome gold be a republic, nuless her popple will accounty-date us to be born again, and of entrely different paranage. She, with all her sister republies of South American, has been from the bogining uniter upcdity a most vio-lent, bloody, incendisry, diagraceful aatroby. Bhe has continually, inspired all nations with hate; has runhiesity ruined and oppressed her own people. And her Government has brought digrace alike upon the sacred name of republi-erator is opposed to going to war with France, or to muchae and buily her in behalf of Mexico. THE R For the flecal year, ending to-day, amount to on hundred and seventy five millions, five hundred and fifty-one thousand, four hundred and fiftyright dollars and two cents. REDEMPTIONS AT THE THEASURY. Interest notes and currency to the amount o we million air hundred and thirty-six thousand ix hundred and thirty dollars, and certificate of indebtedness amounting to two hundred and fourteen thousand nine hundred and twenty-six Precaution Against Fires in Petroleum Warehouses-National Bank Capital. dollars were redeemed at the treasury during th włek. NEW YORK, Dec. 30 .- A Washington special prespondent essa the statement with reference to special says. The question of merging the othe exact meaning of the (relierated rumors) United States Coast Surrey with the Engineer to the exact meaning of the freiterated rumors cerning the withdrawal of the French troops | Corrs, United States Army, is being again agifrom Mexico, will be likely to receive official confirmation in a few days. When these rumors

frch this Government to Napoleon that the Empire and Emperor of Mcxico should not be disturbed. The report says the ploare has been given by our Government that no interference will be allowed. The reason of the Adminie-tration guaranteeing this non-interference is no doubt the result of a belief that the Laberals will be able to make short work of Maximilian.

trailon guaranteeing this non-interference is no doult the result of a belief that the Luberals will be able to make short work of Maximilian, orto the French bayonets are withdrawn, but we should not be too ether of this. Maximilian will still have a goodly number of Austrian and Heigian troops to fail back upon, and besides there, be has a contingent of 2,000 more to draw upon yearly, for several years to come. With these he may, we pursuing a "hands off" policy, be able to establish his sway, and if he does, there will be no other course but to recog-nize him. The Government is committed in its illpiomatic correspondence, to this recognition, when it is shown that the Maxima people have accepted the new order of things, and Linuis Napoleon chunk confidently on the recognition taking piece.

taking place. The Heraid's Fortress Monroe correspondent eays that ClementOlay has recently been per-mitted by the President to receive a visit from his wife. Mrs. Clay arrived at the Fortress on

mitted by the resident is receive a visit from his wife. Sirs. Clay artived at the Fortross on Thuieday of th's week, and was soon after ad-mitted to have an factorizer with the rhusband in his priata. She was su prised to find Mr. Clay in very good health, his configement not appearing to have injuriously affected him. The health of Jefferson Davis is also said to continue good. Mrs. Clay will probably re-main at Fortras Monroe for some time. It is supposit she has given up the hope of getting her hubband percied. The Joad's Washington special despatch says a strong military force has been sent by G.n. Angur to Alerandria to provent any outbreak on New Year's day. A mejority of the new Committee on Banking and Currucy are known to agree with Com-troller Clarkeln opposing any further latition of the currency.

troller Clarke in opposing any further lalation of the currenzy. The Albany steamboats of the Peoples line, no longer run, and theonly boats which go far up the river are the propeller barger. The New Haven night boats have been laid up for the winner.

Have night bonts have been laid up for the winter. I is reported that fifty-eight say going craft were lost, or missing, in the month of Decem-ber, of which six were steamers. The Albany Arpus says: Horsco Greeley, George Ordyke, David Dadley Fried, and Wil-listu E. Dodge were in Albany a few days since to urge upon Governor Fenton, the parton of roomg Keichum. They were fortified by letters from Chief Jutive Chase, and ophers prominent in traffin and all the ordilors conserned, with or excreption, units, it is said, in urging a par-don. It is altered, also, that Ketchum's tead-mony is needed in suits involving over a million collars, and that by his conviction, and conse-quent disqualification as a witness, much injus-

Colling, and that by his conversion, and the queut dispublication as a winess, much injus-uce will be done. Governor Curtin writes from Havana, that there is a steady improvement in his health. He says he has been kindly and honorably re-

The interest patients, and win subling of published. The Receiptist the Internal Reycouse Bureau, reported yesterday, amount to eight hundred and thiry thousand four hundred and forty-nine doi-lars and thirty-six cents, and for the week end-ing to-day. four million six hundred and screentylars and thirty-six cents, and for the week end-ing to-day. four millions is hundred and seventy-nine thousand seven hundred and ninety-six dol-lars and survise. Cents, and for aix months, ending Saturday, Docember 18, \$175,605,553,02. About sixty soldiers who feil at the nuttle of Balls Bluff, have been interred in the National Cemetery at that place under direction of Cap-tain Moore, Acting Qurtermaster. One of the evening papers has a story that a Washington auctioner has been engaged in buying up fire arms for the Fenina organization and had partially divered an involve of weap-ons when the municipal authorities embarrassed the further consumation of the contract by in terposing a guo-margano. have been successful beyond my most sanguin xpectations in engaging iabor for all my plan the further consumation of the contract by in-terposing a quowarranto. Accounts from Merico show that extreme measures are being used towards the people. Maximilian at first triod mild measures, but finding that did not succeed, Frencet officers were instructed to use the numest setterity. Gentlemen who have traveled from Moxico to Vera Groz state that the mod is lined on each side with the blackened corpass of guerrillas. There are no trials or court maritals if a man is equal tobling, or even if he loaks sampleious, he is promptly strung up by the roadside. Sons, Lieutennus are at once jadge, jury and execu-tionors. As a consequence a reign of terror pro-vals all over Mexico, except along the flo Grande. ations in Arkansas and Tennessee. I have already engaged about four hundred freedmen and have full confidence of making a success of "I have given to the freedmen in all cases, part of the crop of cotton, and I slow them land for the cultivation of crops for their own use.

The War in Chill-Spanish Gunbrat Capfelt anglous to try the system of white labor in

tured. NEW YORK, Dec. 31.—The steamer Atlantic, from Arpinwall on the 32d, brings Californis mails to the 9th. and \$570.000 in treasure. The news from the Pacific is unimportant. On the 25th of November the Califan man-of-The news into the famile is dufingerant. On the 25th of November the Callian man-of-war Essarsalda, captured the Spanish gurboat the Spanish Admiral's cor, espondence. The en-gagement lasted half an hoar. The Spanish had two killed. The Esmeralda was not dam-est, the prisoners taken were a Command-ant, the officers and 110 meo, who were treated kindly by the autherities and people. The commander of the Esmerelda was pro-moted to Post Captain, and a subscription had been commenced to present him a sword of honor. Though the Spanish domiral was only forty miles off, he was ignorant of the capture until informed by Cullian papers three days at terwards.

boty miles our was solved and to the capture unit informed by Collision papers three days af-terwards. The Epanish flag ship Vills de Madrid 'left Vaparains on the evening of December 1st, and it is supposed, for Callao. The Oblians have also captured a hunch of the Spanish gunbots Resoluci, on the blockede near Talcahuano. The haunch contained one gut and forty mee, and was used for watching the movements of vessels near the shore. The Chillans had armed a small tow boat called the Independence, with sit guus; one night shefell is with the launch, which fired at her and or dered her to stop. This was done, and the light put out. The Spanlards scon jumped aboard and found themselves prisoners.

Prize Fighters Held to Batt-Funeral of Governor Morris.

NEW YORE, December 30.-Wm. Kecler and Pairick Kluncy, the millers, arrested on a charge

Fairles Aimed; indemilier, arrested on a charge of intertion to engage in a prize fight on Fash-ion Course, on Thursday, have seen heid to ball in the sum of \$1,000 each. The functal of Lieut. Gov, Morris, of the ma-ribe corps. took place yesterday a fiordoon. The body was deposited in the vault at Morrisina.

Fire in New York. NEW YORK, DOC. 30.-A fire occurred at Nos. 700 and 704 Third avenue, which destroyed Se bastian and Sales' carriage manufactory restor-

day afternoon. Loss about \$15,000. Insured for about \$11,000. Oswego and Some Railroad Completed.

OswEGO, Dec. 30 .- The Oswego and Rome cellroad is completed, and passonger and freight rains will commence ranning on Monday next, Death of Hon. H. Winter Dayle.

BALTINORE, Dec. 30.-Hon. Henry Winter avis died of preumonis at half past two o'clock 33461

on a writ of halvest corpus, from the enstody of General Hooker. Morion was then arrested by the United States Commissioner, on charge of

City of Mexico will bring the text of this trenty, which will be published in the Diario; the offi-chal organ of Maximulian, at the Mexicon Capitol. The advices from that quarter allos state that Maximulian and his frinds entertain no sporchanalon respecting the permanence of his-sempler. In addition the guarantee of the Western Powers there are large material interests at stake. One company, a French one, is building a road from the City of Muxico to the Facilic cosst, while another company, an English one, is building a road from Vera Gruz to the City of Maxice. Maximulian's export rs boast that there two roads will be completed before our Petitic road, and that it will receive a good deal of the traffic of the East ladies and Enstern Ana which we hope to monopolic by the build-1760. Up to aig o'clock this evening, no verdict his been resdered in the Bitong divorce case. Go'd closed at 144%. North Carolina Special Election-Pirate -Semmes-Attempted Outrage by Negro Soldiers. WANHNOTON Dec. 30.—It appears from an official anouncement, that the people of North Carol na have declared null and void the ordi-nance of secceion by a vote of 19.977 votes against 1,940, and 18,537 rotes were cast to raily the odinance prohibiting slavery, and and 2,636 to reject eadd ordinance. The War D-pertment issued an order this mersicg to the Florost Marshal to turn over to the Navy Department temporarily the Oid Capi-tol triton, for the could moment of Capt. Sammes, bus no order has as yet been given by the Navy Department for placing him there. His trial

of the traffic of the East ladies and Enstern Asia which we hope to monopolize by the build-log of the railtoad to the Pacific. There are mining companies, manufacturing associations and other large enterprises on foot, both in England and France, who will nave claims on their respective governments, which will hodne them to ensure the permanence of the Merican Engline. The French Alibister flatly contradicts the report that Maximilia is going to leare Meri-co. His has advices of recent date, indicating that Maximilian is stronger than ever with the people, and that in a short time everything will be in a most satisfactory condition for the sta-bility of the pretended Empire.

Department for placing him there, His trial will be communiced about the lith of Jan-nary. Bome of the papers have erroneously stated that Cart. Semmes is kept in confinement. The United States Consul at Port Mahon Writes to the State Department that the cholers has tearly disappeard.

Writes to the State Organization at Ford State Organization and the state Organization of the state Organization of the state of the st Dispatch from Governor Jenkins, of

Georgia. WASHINGTON, Dec. 80.-The following dis-

patch was received here to-day: MILLEDGEVILLE, GA., Dec. 23, 1865.

Hon. Wm. H. Scuard, Scretary of Stat-lart the honor to acknowledge the receipt of your telegram of the 19th inst. together with the copy of a communication to His Excellency James Johnson, Provisional Governor of Geor-

gin. Be pleased to return to His Excellency the Be pleased to return to His Excellency the President my grateful return for his recognition of the discul position in which the people of Georgis Laro placed me, and assure him of my fixed purpose to observe and obcy as wall the Constitution of the United States as the Consti-totion of the State of Georgie, express to him also my thanks for the offered co-operation of the government of the Whited States in effecting the carliest restoration and permanent prosper-ity of the State. Upon this co-operation our people build earnest hopes of a speedy return to their suspended relations with the other States of the Union. I have, sit, the honor to be very respectfully, your obedient streaml, Charattes J. JEXENSE, Governor ef Georgia.

Loss of the Eteamer Coustilution-Further Particulars.

From Louisiana and Teras. NEW ONLEARS, Dec. 23.—Three policemen were severely wounded on Christmas day by a grag of excliced negroes. Some forty negroes were arrested, most of whom were aread. Afairs on the Rio Grande are in statu quo. The Liberais are up the river Jella. D. Lubock, lately released from Fort Dela-ware, reached his Texan home. In Western Teras, the planters, farmers and freedmen generally are making- contracts for next year, satisfactory to both parties. In cen-tral Toxas the prospets are not so good. The planters are discouraged on both sugar and cotton plantalities of Brazos Colorado, Corry and other streams near the coast. General Gragory is making a tour, addressing the freed-men, with a view to persuade them to make contracts for labon next year. Much comploint is made abont the mail ser-vice throughout Teras. It takes soven co days in Gairotta is droping off. Goods are daily declining in price. Part to be treamer constitution--Farther Particulars. Willmisorow, (N. C.,) Dec. 30.-The sisamer constitution, Capital Greenmas, it & Savannah for New, York on the 23d Inis, with twenty-four pastengers and 700 bales of colton. Sho struck on the southern point of Lookkot Shaal on-Tuceday morning at four o'clock, where she re-mained eight hours and then broke up. The Capitals, with tweire of the crew and one pas-senger, saved themselves on cotton bales. They landed at Cape Lookout Light-house at four o'clock on Thursday afternoon, and thaneo, pro-ceded to Moorhead City. Forty persons on board the ill-faird evisel, passengers and crew, persined. The survivors left Moorhead City for New York this morning. techning in price. Hon. John Ray, Member of Congress from

Northern Louisians, writes on the 5th of De-cember, from Washington, that he is astisted the President's reconstruction policy will be abandoned, or not be carried out at present, by the admission of Southern members early this month. The Tornado at Pulaski, Tonnessee. The Tornado at Pulaski, Tonnessee. Nasuville, Dic. 50.—The latest information from Felasti, states that the loss of life and property is less than at first rerorted. 'One lady only was tilled, Miss Bradden; a Mirs. Johnson is thought to be mortally informed. One hegro woman was killed, and soven negroes more or less are severely injured. The torzádo struck the Bouth-western part of the torn, uproviling trees, destroying size of seven houses. A por-tion of Richland factory was destroyed. Sever-la houses in a south-westeris direction waro-lovelled to the ground, among them those of Mirs. White, three miles from the towo, and M. Josephs M. Cook, cight miles from Palaski. This is the extent of the damsge, so far as ascer tainco. month. At Jefferson, Texas, the military rescued by At orderson, least, the military rescued by force, in the open plutfrict Court, from the sheriff two Treasury agents, indicad by the Grand Jury for winding an officer in command. The Provisional Judge of the Court released the agents under threat of punishment if he disobeyed the order. Suffering on the Plains-Soldiers Prozen-Blocked with Snow-Colorado

sincd.

Legislature. Br. Louis, Dec. 50.— The recent reports of suffering on the Plains is confirmed. About seventy soldiers of the 17th Infantry, and thirty of the 27th Wisconsin Volunteers were so badly frezen that they had to be left in the hospital. The read is blocked with enow beyond Fort learner. taised. Convention of the Delta Pai Frateratty-Hon. Schuyler Colfax's Speech. New Yong, Dec. 30.-The Delta Pai Frater-tiv has for several days part been holding its acnual corvention in this city. The attendance frem all the northern chapters was large and measures were taken to give the most cordini usistance in response to applications for the re-abilitation of the southern chapters in such of the colleges as are again in operation. Last terening an oration was delivered before the Fra-terening an oration was delivered before the Fra-terning and their friends at the Fourth Avenue Probyterian Church, by Hon. John H. Anthon, Assistant District Attorney of New York. Hon. Sechuylor Colfex will deliver an address before the Cenaral Union Club of Brooking, at the Academy of Music, Bro.kipn, this creating. Rearney. The Legislature of Colorado adjourned, sub-ject to the call of the Governov, after ratifying the Constitutional Amendment by a vote of thirty-six to one. New President of Canadian Council. Mew President of Charactural Content, Tensoro, (C. W., )Bec, 30, --Hon, Ferguson Blair has accepted the vacant seat in the Cabinot, vice the Hon. Geo. Brows, resigned. There will be no chargo in the policy of the Government. regarding confederation and other im ortant cuttors.
