A CARD TO THE LADIES.

DR. DEBONOIS' GOLDEN PINK PILLS for Females. Infallible in correcting irregularities, removing obstructions of the monthly turns, from whatever cause, and always successful as a preventive. One pill is a dose. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills, while in that condition, lest they invite miscarriage, after which admission to the practice assumes no responsibility, although their mildness would prevent any mischief to health; otherwise the Pills are recommended as a most invaluable remedy for the alleviation of those suffering from any irregularity whatever, as well as to prevent an increase of faintness when health will not permit it; quieting the nerves and bringing back the "rosy color of health" to the cheek of the most delicate.
