## DEPART TO THE LADIES.

PILLS for Females. Infidelity in connection with irregularities, removing obstructions of the monthly course, from whatever cause and always successful as a preventive. One pill is a cure. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills, while in that condition lest they initiate miscarriages, after which admission the profligate assumes no responsibility, although their mildness would prevent any mischief to health; otherwise the Pills are recommended as a most invaluable remedy for the alleviation of those suffering from any irregularities whatever, as well as to prevent an increase of fecundity when health will not permit it; quieting the nerves and bringing back the "rosy color of health" to the cheek of the most delicate.

Full and explicit directions accompany each box. Price \$1 per box; 6 boxes \$5.
