Petroleum Centre Daily Record.

Pet. Centre, Saturday, Feb. 13.

A Maine paper relates that a country
member of the Legislature seeing a quantity
of boxes in the rotunda of the States
House at Augusta, to be used in sending
away documents, asked an old stager what
they were. "Shoe boxes, I presume."
"What," said the member from Cranberry
Centre, "we don't draw shoes, do we?"

Kossuth is still on the stage of poli-
tics. In a six column letter, designed as an
answer to many addresses he has received
from European patriots, he says he thinks
there is no room at present in Hungary for
himself or his opinions.

Some of the French journals announce the
discovery in the public archives of the se-
cret of the "Man with the Iron Mask." The
solution of the historical enigma is said to
be established on authentic evidence, and
has been communicated in a sealed letter to
the President of the Academy of Moral and
Political Sciences, and without doubt, will
shortly be made known to the world.

Many years ago, when Nantucket was
very largely engaged in whaling, a
clergyman of that town preached from the
text, 2 Kings iv, 7: "Go sell thy oil and
pay thy debt, and live thou and thy children
of the rest." The congregation were indig-
nant at the ministers, attempt to meddle
with the oil market.

They have a cheerful way of treating the
yellow fever, at Bonham, Texas. A cor-
respondent from that place says: "Medi-
cine is never administered, except in some
mild aperient at the outset to cleanse the
bowels. The patient is then placed be-
tween blankets, and left to nature and his
God. Judging from the mortality reports
the latter generally takes him in."

If a man is so situated that he cannot be
happy in his family relations, he will not
enjoy happiness at all. Man must culti-
vate, therefore, and look for this great end
of his labors at home and in the bosom of
his wife and the affections of his children.
Around his own hearth, in the presence of
a loving family, the husband and father,
himself the affectionate head of the house-
hold, cannot be otherwise than happy. He
has no competition in business there, no op-
posing candidates for honors, no grasping,
unscrupulous enemy.

An agricultural locomotive has been re-
cently constructed that runs thirty-nine
plows at one time.

The New Jersey Central Railroad, for
the year 1868, delivered 5,618,845 tons of
coal.
