A CAUTION TO THE LADIES. DR. BRIDGES'S GENTLE MENI BICAL PILLS FOR FEMALES. It cures in the most regular manner, irregularities, temporary obstructions, the monthly flux, from whatever cause, and always with such a pleasant effect, that it is well adapted for a preventive. One pill is a dose. Extracts carefully situated, or those supposing themselves to be pregnant, need not fear using these pills, while in that condition, but they invite advancement after which additional use, the physician assumes no responsibility, although their continuance would prevent any interference to health; otherwise the pills are recommended as a most beneficial remedy for the alleviation of those suffering from any irregularities whatever, as well as to prevent an increase of family when health will not permit it; quieting the nerves and bringing back the true color of the blood to the cheek, if it is not too late.

Full and explicit directions accompany each box. Price \$1 per box, 6 boxes \$5.

Sold in Petroleum Centre by A. D. MILLER & CO., Sole Agents for Petroleum Centre, Pa.
