COMPANY,

OF NEW YORK,

Established March 5, 1850.

Capital & Assets. \$3,000,000

E. J. ROSS, Agent,

Petroleum Centre, Pa.

## This Company,

Being one of the oldest and most reliable in the United States, affords ample security, not only by its large assets, which on Jan. 1st, 1892, were at ready 22 1/2 per cent. over its liabilities, but also by the

PERSONAL LIABILITY OF THE STOCKHOLDERS TO MAKE GOOD ANY DEFICIENCY, a security not afforded by any other Cash Company.

Dividends are Declared Annually!

And may be used to assist in paying Premiums, to afford additional insurance, or to secure paid up Policy as after they have been in force for a number of years, as explained in our pamphlet, or they may accumulate at compound interest to increase the sum insured.

## EVERY FATHER

Should secure a Policy as early as possible, as none but healthy persons can be insured, and it is his moral duty, to provide in the safest way for his family, which he cannot do better, than by a Life Insurance. Money invested in business may bring more interest for a while, but it may all be lost, and the family is then left destitute.

Boston, March 11.

A bonafide prize fight, according to the rules of the ring, except that hair pulling and biting were allowed, took place between two women in Somerville, Mass., at an early hour on Monday morning. The contestants in their appearance in the ring were clad in the conventional costume of gaiters stockings and drawers, wearing nothing else to speak of beyond water falls and curls. At the very first round one of them, named Sarah Chapman, became rich and jumped out of the ring, but her backers drew her in again and she eventually won the fight. At the 21st round her opponent, Mollie Jones, both of them having been severely punished, begged her seconds in God's name to take her away and so the fight and money (\$50) was awarded to Sarah.

Opinions of Experienced Druggists.

Read the following opinions of experienced druggists and physicians.

MESSES. LAMB, DRUGGISTS, having had frequent calls for Bitters, and from our own examination, have them to be much better in quality than other Bitters in the market, and we think that they will answer your most sanguine expectations, and fully meet the demands of the public. We would recommend them to the public for this especially to invalids suffering from weakness and a disordered stomach.

Respectfully Yours,  
A. D. MILLER & CO., Druggists.

This certifies that we have used the Great Yosemite Bitters prepared by J. W. Downer & Co., of this place, and believe that they are, what they are represented to be, a pure and wholesome Stomach Bitters, and a pleasant tonic beverage for the Stomach, Dyspepsia, &c., &c. We think them to be as good, if not better, than any Bitters now in the market, and cheerfully recommend them to the public.

Respectfully,  
T. B. McNAIR & CO., Druggists.

I have used, and observed the effects of the Great Yosemite Stomach Bitters, prepared by J. W. Downer & Co., Petroleum Centre, and think them preferable to any now in use, for the relief of those difficulties for which they are recommended.

J. M. HARDING, M. D.  
Oil City, Pa., Dec. 20th, 1888.

Having carefully examined the "Yosemite Bitters," manufactured and sold by Messrs. J. W. Downer & Co., I am convinced that they are chemically pure, and having a knowledge of their component parts, I feel safe in recommending their use to the afflicted.
