Opinions of Experienced Druggists.

Read the following opinions of experienced druggists and physicians:

MESSRS. J. W. DOWNER & CO.: Having used your Yosemite Bitters for some time past, and having had frequent calls for them by our customers, and from our own examination of them, we believe them to be much better in quality than any other Bitters in the market, and we are confident that they will answer your most sanguine expectations, and fully meet the demands of the public. We would recommend them to the public for trial, especially to invalids suffering from weakness and a disordered stomach.

Respectfully Yours,
A. D. MILLER & CO., Druggists.

This certifies that we have used the Great Yosemite Bitters prepared by J. W. Downer & Co., of this place, and believe that they are, what they are represented to be a pure and wholesome Stomach Bitters, and a pleasant tonic beverage for the use of invalids suffering from weakness of the Stomach, Dyspepsia, &c., &c. We think them to be as good, if not better, than any Bitters now in the market, and cheerfully recommend them to the public.

Respectfully,
T. B. McNAIR & CO., Druggists.

I have used, and observed the effects of the Great Yosemite Stomach Bitters, prepared by J. W. Downer & Co., Petroleum Centre, and think them preferable to any now in use, for the relief of those difficulties for which they are recommended.

J. M. HAZLETT, M. D.
Oil City, Pa., Dec. 26th, 1868.

Having carefully examined the "Yosemite Bitters," manufactured and sold by Messrs. J. W. Downer & Co., I am convinced that they are chemically pure, and having a knowledge of their component parts, I feel safe in recommending their use to the afflicted.

Capital & Assets, $3,000,000

E. J. ROSS, Agent,

Petroleum Centre, Pa.

This Company,

Being one of the oldest and most reliable in the United States affords ample security, not only by its large assets, which on January 1st, 1868, were already 30¾ per cent over its liabilities, but also by the

PERSONAL LIABILITY OF THE STOCKHOLDERS TO MAKE GOOD ANY DEFICIENCY,

a security not afforded by any other Cash Company.

Dividends are Declared Annually!

And may be used to assist in paying Premiums to afford additional insurance, or to secure paid up Policies after they have been in force for a number of years, as explained in our pamphlet, or they may accumulate at compound interest to increase the sum insured.

EVERY FATHER

should secure a Policy as early as possible, as none but healthy persons can be insured, and it is his moral duty to provide in the safest way for his family, which he cannot do better, than by a Life Insurance. Money invested in business may bring more interest for a while, but it may all be lost, and the family is then left destitute.
