TELEGRAPH

REPORTED FOR THE DAILY RECORD.

Afternoon Dispatches.

Ottawa, April 14.
It is said Government will establish a Western Territorial Government, with capital at Red River, with representation in the House of Commons.
It is expected about \$300,000 will be voted to complete the road from Fort Williams to Red River.
It is believed in well informed circles that Sir George E. Carter, Sir Jno. A. McDonald, and the Hon. Mossa, Howe and Tilley, will be made lords under the bill introduced by Earl Russell creating life peerages.

Binghamton, N. Y., April 14.
Yesterday morning Warren Blanchard was found dead in his house in this city. The usual inmates, consisting of his wife and two girls, fled, and the affair is involved in mystery. All the doors and windows of the house were fastened from the inside except one, from which the woman and girls escaped. Blanchard's head was found in a brass kettle, and there marks of a pistol ball. Nothing is known of the matter except that neighbors heard a disturbance at three o'clock Monday morning and the report of a pistol when a man ran out of the house and the noise ceased. At the house was closed as the police went to it. The woman, before leaving, closed away all traces of blood, and there were no indications of the manner in which the deed was performed.
