TELEGRAPH

REPORTED FOR THE DAILY RECORD.

Afternoon Dispatches.

London, May 12.

The Standard, Conservative, reviewing the position of the United States and Great Britain on the Alabama question, asserts that the Fenian outrages on Canada more than overbalance the depredations by the Alabama. Great Britain, in agreeing to submit the grievances of both countries to arbitration, did more than could be fairly demanded, and to yield further would be cowardice and irreparable degradation.
