Opinions of Experienced Druggists.

The following opinions of experts and physicians:

J. W. DOWNER & CO.: Having your Yosemite Bitters for some time past, and having had frequent calls for them by our customers and from our own examination of them, we believe them to be much better in quality than any other Bitters in the market, and we are confident that they will answer your most sanguine expectations, and fully meet the demands of the public. We would recommend them to the public for trial, especially to invalids suffering from weakness and a disordered stomach.

Respectfully Yours,
A. D. MILLER & CO., Druggists.

This certifies that we have used the Great Yosemite Bitters prepared by J. W. Downer & Co., at this place, and believe that they are, what they are represented to be, a pure and wholesome Bitters, and a pleasant tonic beverage for the use of invalids suffering from weakness of the Stomach, Dyspepsia, &c., &c. We think them to be as good, if not better, than any Bitters now in the market, and cheerfully recommend them to the public.

Respectfully,
T. B. McNAIR & CO., Druggists.

I have used, and observed the effects of the Great Yosemite Stomach Bitters, prepared by J. W. Downer & Co., Petroleum Centre, and think them preferable to any now in use, for the relief of those difficulties for which they are recommended.

Having carefully examined the "Yosemite Bitters," manufactured and sold by Messrs. J. W. Downer & Co., I am convinced that they are chemically pure, and having a knowledge of their component parts, I feel safe in recommending their use to the afflicted.
