TELEGRAPH

REVISED FOR THE DAILY RECORD.

Afternoon Dispatches.

London, May 14.

The Times of yesterday has an article on the Alabama treaty, wherein it is insisted that the Government of Great Britain in submitting to an arbitration on the question at all, conceded everything that was demanded or expected by the American people, and everything that it was possible to concede.

Washington, May 14.

A special says that the Spanish Minister received last night a submarine cable dispatch from Gen. Dulce, announcing the final suppression of the rebellion in Cuba. It is accepted by Dulce that only 3,200 insurgents are under arms in detached bodies, without leaders and capable of action. The news was submitted to the State department to-day, and received great credit and is supposed to be promulgated to discourage American sympathy with Cuba and deter filibustering schemes. Cubans here affirm the ability of their countrymen to hold out against the Spaniards for an indefinite time. They claim the armed bodies alleged to be wandering around constitute the nucleus of forces to the number of eight or ten thousand men, working on farms and plantations, that can be concentrated at any time to strike a decisive blow.

According to an act passed by the Legislature last winter for the destruction of municipable depreciated funds of old State Banks, the State Treasurer of Pennsylvania caused to be burned to ashes, Friday morning, all such funds remaining in the vault of the Treasury to the amount of $41,-23[illegible]

THE OIL MARKETS.

OFFICE OF THE PET'M CENTRE DAILY RECORD, PETROLEUM CENTRE, May 14.

The market to-day is quite active. The sudden fall of yesterday created considerable excitement among holders, and but very little oil was in market in consequence. There were several sales of small lots to-day at $5.10 @ $5.15; one sale of nine cars at $5.05. The market this afternoon is firm and we quote at $5.10 @ $5.20.

Shipments of oil from this point, May 13, via O. C. & A. R. R. [illegible] were 807 bbls.
