TELEGRAPH

REPORTED FOR THE DAILY RECORD.

Afternoon Dispatches.

Baltimore, May 23.

Yesterday morning between half-past eight and nine o'clock, Richard Patterson, money delivery clerk of Harnden's Express Co., took a package of money for delivery to George Howard, on the third floor of No. 16 North Charles street. As soon as he entered the room, he was seized by two men, searched and robbed of \$6,000, which he had for delivery to different houses in the city. Howard locked in and the robbers escaped. Howard engaged the room on Friday last, and received a package from the express company on Saturday, when he informed the messenger he expected another this morning. Howard was not present when the robbery occurred.

Children, says the Herald of Health should never be allowed to remain in a room where people are smoking. We have known many children ruined by breathing day after day, the vile smoke of the father's cigar and sometimes the mother's pipe. If a parent is so very ignorant of the laws of life as to smoke where young children live he is a barbarian, indeed.
