Albina.—Last week we called attention to the Constitution of Seward & Bentley, and now we take pleasure in noticing their Albina for the hair, which is said to be a very fine article for the toilet. We are of the opinion that the preparations of S. & B. are all good, for the reputation they sustain as Dressings is good evidence that they would not put anything in the market of an ordinary character. Messrs. A. D. MILLER & CO have it for sale and we hope all our friends will try it.

For all Branchial affections, by Seward's Compound.
