Lay Delegation undoubtedly a success the vote so far received being considerably over two to one in its favor. At the same time it must be confessed that the vote has much lighter than was expected, and that there does not seem to be that interest in the question which the friends of the movement hoped to create.

ATTENTION—Last week we called attention to the Constitution of Seward & Bentley, and now we take pleasure in notifying their Alisma for the hair, which is said to be a very fine article for the toilet. We are of opinion that the preparations they sustain as Druggists is good evidence that they would not put anything in the market of an ordinary character. Messrs. A. D. MILLER & CO have it for sale and we hope all our friends will try it.
For all Rheumatism, try Seward's Cough Cure.
