TO THE WORKING CLASS.—We are now prepared to furnish all classes with constant employment at home, the whole of the time or for the spare moments. Business new, light and profitable. Persons of either sex easily earn from \$20 to \$25 per week, and a proportional sum by devoting only a few hours to the business. Boys and girls earn nearly as much as men. That all who are fit to do may send their address, and test the business we make this our special offer. To such we will send, without cost, \$1 to pay for the true and reliable. Full particulars, a valuable sample which will do to advertise your own copy of the People's Liberty Companion—some of the largest and best family newspapers published—will send free to mail. If you want permanent profitable home address, E. C. ALLEN & CO., Agents, Boston, Mass., Nov. 1903.

Drilling Jars.

We would respectfully announce to our patrons that we have recently received a quantity of

Cast Steel Drilling Jars!

Which for strength and durability exceed any Steel-lined Jar heretofore in use.

The Advantages we Claim

over Used Jars are that, being ALL STEEL, they are stronger than a Jar composed of cast iron that containing a few 100 lbs. in weight, they are proof against wear on the outside, and will keep their shape longer.

We Warrant Them to Drill Fifteen Hundred Feet.

We also keep on hand

Cast Iron Working Barrels
