By a tolegram from Harrisburg we learn that Gen. Irwin has been elected State Treasurer.

We frequently overhear good men de. ploring the fact that so many young are on the road to rain from the use of liquor, &c. Admitting that this is a fact, not only here in the oil region but the country over, it iil becomes these so-called Christian men and women, while deploring this slarming evil, to point the finger of score at them, and instead of lending them a helping hand to enable them to tise from the "slough of despond" into which they have fallen through edverse circumstances mayhep, give them a kick downward. Many a poor man who has sank very low in the scale of degradation and misery, has been made to feel him' self a man and restored to a lite of usefulness once more, by the saying of merely a kird word. We overheard a person recently who claims to be a christian man, bitterly denouncing a young man of his acquaintance for indulging in intexicating liquors, never for a moment imagining. we suppose that the individual in question bad feelings that might possibly be injured by his harsh language.
