REPORT OF PHILADELPHIA BOARD OF TRADE.

The report of the Philadelphia Board of Trade for 1869, contains some valuable statistical matter, to which we may make passing reference. The production of iron in Pennsylvania for the year 1869, has been as follows: Pig iron, 965,000 tons for 1869, against 872,000 tons in 1868. Increase, 93,000 tons. The sales of the product being about \$34,000,000, or very little beyond the lesser quantity of last year. From forges and bloomeries 31,000 tons. Rails 280,000 tons. Other forms of manufactured 271,000 tons. Increase 31,000 tons.

The added value on the manufactured article may be fairly estimated at \$35,000,000, showing a total productive value of fully \$69,000,000, with an increase in total quantity from 1,424,157 tons to 1,563,000 tons. In regard to petroleum the report notes a continued and large increase each year over the preceding, and the fears of a falling off in the supply from the wells have thus far been without confirmation.

The total production of crude oil from the Pennsylvania wells has been:

Table with 3 columns: Year, Gallons, Inc. For 1869: 189,681,300 Gallons, Inc. 22,474,045. For 1868: 167,207,345 Gallons, Inc. 33,647,345. For 1867: 133,500,000 Gallons, Inc. 33,647,345.

Shipping from the oil region as follows:

Table with 3 columns: Destination, Gallons, Export Gallons. To Philadelphia direct: 8,943,885 Gallons, 33,157,849 Export Gallons. Pittsburgh: 45,428,490 Gallons. New York: 47,360,880 Gallons, 65,938,690 Export Gallons. Cleveland: 47,796,525 Gallons, 350,000 Export Gallons. Boston: 5,445,620 Gallons, 2,117,939 Export Gallons. Portland: 1,855,530 Gallons, 705,107 Export Gallons. Other places, estimated: 17,945,545 Gallons, 300,000 Export Gallons.

Total exports \$102,568,831

For the portion sent abroad the price may be considered as having averaged twenty-five cents, or that is this product has furnished exchange for fully \$25,000,000, or more than half the value of the gold export from San Francisco for the year, and the three combined would show values:

Table with 2 columns: Item, Value. For coal, as above, say \$90,000,000. Iron 69,000,000. Petroleum including domestic consumption 40,000,000.

Aggregating for the three articles \$199,000,000

That good fellow, W. H. Dewitt, of the firm of T. B. Shugert & Co., druggists, Pleasantville, dropped in to see us yesterday. He is looking well and reports business as being lively in that place.

Weather is mod-rate.

The cheerful sound of the anvils upon upon which the tools are being sharpened at the drilling wells, can be heard on all sides and at all hours of the day and night.

POLYGAMY IN POUGHKEEPSIE.

A DYING WIFE GIVING HER HUSBAND TO ANOTHER WOMAN—HOW SHE GOT HER FOOT INTO IT.

From the Mattewan Herald.

Just in the outskirts of Poughkeepsie lives a man by the name of Warren, who for years has enjoyed a plurality of wives, much to the disgust of the entire neighborhood. Warren many years ago married a young lady and for years they lived on in perfect harmony, but one day she sickened and she and her friends supposed she would die; at this crisis she became anxious about the welfare of her husband and busied herself about in selecting her successor, who was to share with Warren the joys of matrimonial bliss. The difficulty she at last overcame by selecting a woman she thought worthy to follow in her footsteps.

Once settled in her mind she desired the twain to be made one flesh, even before her death, that she might be made happy in her last moments. They were accordingly married by her bedside, and the sick woman having her heart's wish gratified turned over to die, but it was not so to be, for she, much to the astonishment of all parties, rapidly grew better, and soon recovered her health, only to find her husband given to another.

This was more than the woman bargained for, but the two females fixed up the matter and it was agreed that they would live in harmony in the same house, and thus they lived for years. Both women raised a family of children; one had six and the other five. Some of these children are grown up men and women at the present time.

About six months ago the women quarrelled and the husband was called on to settle the difficulty, and he espoused the cause of the youngest wife and it was determined on by the two to get the old wife out of the house, which was speedily accomplished, and she is now doing housework in the neighborhood, while the second wife enjoys the bed and board that were once hers.

In the contested election case between Covode and Foster from this State, recently before the House of Representatives, Covode has been declared duly elected and admitted to a seat in that body.

Quite a number of wells at Pleasantville are being put down to the sixth sand—Hopes are entertained that green oil will be discovered there.

New Post Office—A new Postoffice has been established at Kane City, with one old friend, J. B. McCrea, as Postmaster. The bond was executed yesterday and sent back to Washington. The establishment of an office at that point is a great accommodation to the residents thereabouts, as heretofore they have been obliged to come to the Centre or go to Rynd Farm for their mails.

To-night the Columbia Cornet Band are to give a concert at Sobel's Hall. The programme to be introduced consists of Vocal and Instrumental Music, &c., to be followed by a laughable farce. The amateur quartette of Franklin—Mrs. Brandon and Nicklin and Messrs. Nicklin and Skinner will appear in several quartettes; Mr. Jas. Harrington of Pleasantville, in several comic songs, and the Band in a number of fine instrumental pieces. As this is peculiarly a home institution, the concert being gotten up for the purpose of purchasing them new uniforms, we trust our citizens will tender them a liberal support. Tickets can be procured at the Postoffice Newsroom.

The suit brought by Henry Harley, D. H. Cady and other citizens of Titusville, agst. the Benninghoffs for \$100,000 for damages sustained by them by being arrested as the Benninghoff robbers, has been on trial at Franklin for two or three days past, resulting in a verdict for defendants.

M. P. Barber has been appointed Postmaster at Pleasantville in place of E. A. Kelley, the former incumbent. The office has been raised from the fourth to the second grade.

A stabbing affray occurred on the Shirk farm, between Franklin and Reno, on Wednesday afternoon, by which a man named Patrick Buras was probably fatally stabbed by Wm. Young. Both of the men were in the employ of the Jamestown & Franklin R. R. Young was arrested and lodged in jail at Franklin.

There are at present twelve prisoners confined in the county jail. Seven of these are serving out sentence; the others awaiting trial—Spectator.

Everybody and everybody's wife's sister, attended by their husbands and lovers, should go to the Columbia Cornet Band concert, this evening.

Charley Shay's Quincuplexal is booked for this place soon.
