Drilling Jars.

We would respectfully announce to our customers and the public generally that we keep constantly on hand

Cast Steel Drilling Jars.

Which for Strength and Durability exceed any Steel
Jars heretofore in use.

The Advantages we Claim.

over Steel Jars are that, before ALL STEEL, they
are stronger than cast iron, and more durable.
They are lighter, and more easily carried from place to place,
and are less liable to damage in handling.

We Warrant Them to Drill Fifteen Hundred Feet.

We also keep on hand

Cast Iron Working Barrels.

FISHER, NOFFS & CO.
