owing to the large and increasing demand for the Roberts' Torpedoes, and the fact that the Commission of Patents in Washington, D. C. has granted a patent, and the decision of Judge P. C. Greer sustaining the Roberts' patent they have LOWERED the price of their Torpedoes

TWENTY PER CENT.

so that every Operator can afford to try a Torpedo before abandoning a well.

The following is the decision rendered by Judge Greer on the 12th day of September, 1892, in the United States Circuit Court at Philadelphia. The case was argued three days by Charles M. Keller of New York, B. F. Linn of S. A. Pennsylvania, of Pittsburgh, for defendants, and George Harding of Philadelphia, and George H. Christy, a Pittsburgh, for plaintiff.

OPINION OF JUDGE GREER.

As I write with difficulty I can only state the conclusions to which my mind has come after a careful examination of this case.

The case is a patent case, and the plaintiff has exhibited a patent dated 20th of April, 1885. This is prima facie evidence of a good title, and puts on the respondents the burden of proof that the patent is void or worthless.

I need not repeat my remarks in the case of Good vs. Day (2 Wall, C. C. Rep. 223), but will adopt them as applying a rule of decision which applies clearly to the present case.

As the infringement of the patent is admitted, the only question will be as to the validity of complainant's patent of April 25, 1885.

"It was after speculation had been reduced to practice," and after repeated experiments, that the complainant succeeded in inventing the improved and improved Torpedo, and was successful in procuring the patent on the 25th of April, 1885.

L. M. STERNBURG'S

Lumber Yard

Washington-St., Petroleum Centre, Pa.

Friends and patrons, one and all,

Your attention to my "Bill" I would call;

Times are dull on money tight,

But in these times I'm looking for light;

To them who are building rigs without number,

I would inform—this is the place to buy Lumber;

My motto is this: "Quick Sales and Small Profits,"

For business is healthy and I think much of it;

In quality my Lumber is second to none,

And as for quantity, I keep No. 1;
