P. & A. Telegraph Office, Oil City, Pa.

DIAMONDS

Drilling Jars.

We would respectfully announce to our customers and the public generally that we have on hand

Cast Steel Drilling Jars

which for strength and durability excel any other kind of jar heretofore used.

The Advantages we Claim

Our Cast Steel Jars are that, being ALL STEEL, they are stronger than jars of any other material, and presenting a smooth surface to the rock, they are protected from wear on the outside, and will keep their shape longer.

We Warrant Them to Drill Fifteen Hundred Feet.

We also keep on hand

Cast Iron Working Barrels.

Fisher, Norris & Co.
