OLD OR. HEATHY many year's experience in curing the debituated and alsoaned
disclosed the startling fact that three-fourths of
those suffering with Dypopeia. Nervous Debility,
Erhausted Vidality. Onesumption. Cuncerous Affections, Discase of the Liver, Epilepy. Paralysis,
and Discase of the Kidneys and Bladder, were
caused by and could only be cured after curing then
of Seminal Weakness. His immense practice has
made his treatment as near perfection as possible
Many of his patients had paid from \$100 th.\$6,000
or medicine and treatment before seeing him. No
better proof that patients cannot be cured without a
searchin gexamination of all symptoms and compilcations, and scientific treatment by an experienced
physician. Those at a distance can be cured at their
homes without an interview. Advice free at 710
Broadway, New York. There are so many unsuecessful physicians, 1r. Hearn will merely say he
is the author of two claborate works on Medici ne
and Surgery and one on Chemicals.
