OLD DR. HEATH'S many years' experience in curing the debilitated and diseased disclosed the startling fact that three-fourths of those suffering with *Dyspepsia, Nervous Debility, Exhaustion of Vitality, Constipation, Chronic Affections, Disease of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder,* were caused by and could only be cured after curing them of *Senescent Weakness.* His immense practice has made his treatment as near perfection as possible. Many of his patients had paid from \$100 to \$500 for medicine and treatment before seeing him. No better proof that patients cannot be cured without a searching examination of all symptoms and complications, and scientific treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 710 Broadway, New York. There are no more successful physicians, DR. HEATH will merely say he is the author of two elaborate works on Medicine and Surgery and one on Chemicals.

Drilling Jars.
We would respectfully announce to our customers and the public generally that we keep constantly on hand
Cast Steel Drilling Jars
Which for Strength and Durability excel any Steel Lined Jar heretofore in use.
The Advantages we Claim
Our Lined Jars are that, being ALL STEEL, they are stronger than Jars composed partly of Iron; that presenting a Steel surface to the rock, they are protected from wear on the outside, and will keep their shape longer.
We also keep on hand
Cast Iron Working Barrels.
