Drilling Jars.

We would respectfully announce to our customers and the public generally that we have on hand

Cast Steel Drilling Jars

Which for Strength and Durability excel any Steel Lined Jar heretofore in use.

The Advantages we Claim

Over Lined Jars are that, being ALL STEEL, they are stronger than Jars composed partly of Iron; that presenting a Steel surface to the rock, they are protected from wear on the outside, and will keep their shape longer.

We also keep on hand

Cast Iron Working Barrels.

Lumber Yard

Washington-St., Petroleum Centre, Pa.

Friends and patrons, one and all, Your attention to my "biz" I would call;

Times are dull an' money tight, But in these times I'm looking for light;

To those who are building rigs without number, I would inform--this is the place to buy Lumber;

My motto is this: "Quick Sales and Small Profit," For business is healthy and I think much of it;

In quality my Lumber is second to none, And as for Shingles, I keep No. 1;

Some may not look at it in the light I do, And for close I have a quality No. 2;

And to those who are particular--as some may be, I still have another quality called No

I have good seasoned Lumber, Dressed up nice, Which I will sell at a low cash price;

Such as Flooring, Ceiling and Siding, both Rough and Dressed,

Lath, Battens and Surfaced Lumber, all of the best;

I also have Biz Lumber of all kinds, At prices to compare with oil and hard times;

All kinds of Timber kept constantly on hand, And a box of Cigars of a very good brand;

My facilities for selling are surely without number, I always keep good teams to deliver good Lumber;

So if you want Lumber, Rough, Dressed, Soft or Hard, You will find just what you want at L. M. S's Lumber Yard.
