OLD DR. HEATH'S many year's experi-
ence in curing the debilitated and diseased
disclosed the startling fact that three-fourths of
those suffering with *Dyspepsia, Nervous Debility,*
Exhausted Vitality, Consumption, Cancerous Affec-
tions, Disease of the Liver, Epilepsy, Paralysis,
and Diseases of the Kidneys and Bladder, were
cured by and could only be cured after cutting them
of *Seminal Weakness.* His immense practice has
made his treatment as near perfection as possible.
Many of his patients had paid from \$100 to \$5,000
for medicine and treatment before seeing him. No
one is to be cured without a cure without a
searching examination of all symptoms and compli-
cations, and a tentative treatment by an experienced
physician. Those at a distance can be cured at their
homes without an interview. Advice free at 719
Broadway, New York. There are so many unsuccess-
ful physicians, Dr. HEATH will merely say he
is the author of two elaborate works on Medicine
and Surgery and one on Chemicals.

Drilling Jars.
We would respectfully announce to our custo-
mers and the public generally that we have con-
stantly on hand

Cast Steel Drilling Jars
Which for Strength and Durability excel any Steel
Lined Jar heretofore in use.
The Advantages we Claim
Over Lined Jars are that, being ALL STEEL, they
are stronger than Jars composed partly of Iron;
that presenting a Steel surface to the rock, they are
protected from wear on the outside, and will keep
their shape longer.
We also keep on hand
Cast Iron Working Barrels.
