Friends and patrons, one and all, Your attention to my "BIG" I would call. Times are dull and money tight, But in these times I'm looking for light; To those who are building rigs without number, I would inform--this is the place to buy Lumber; My motto is this: "Quick Sales and Small Profits." For business is healthy and I think much of it. In quality my Lumber is second to none, And as for Shingles, I keep No. 1; Some may not look at it in the light I do, And for shingles I have a quality No. 2; And to those who are particular--as some may be, I still have another quality called No. 3; I have good seasoned Lumber, Dressed up nice, Which I will sell at a low cash price; Such as Flooring, Ceiling and Siding, both Rough and Dressed, Lath, Battens and Surfaced Lumber, all of the best; I also have Big Lumber of all kinds, At prices to compare with oil and hard times; All kinds of Timber kept constantly on hand, And a box of Cigars of a very good brand; My facilities for selling are rarely without number I always keep good teams to deliver good Lumber; So if you want Lumber, Rough, Dressed, Soft or Hard, You will find just what you want at L.
