OLDOR HEATH'S

many years' experience in curing the debilitated and diseased disclosed the startling fact that three-fourths of those suffering with Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Cancerous Affections, Disease of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder, were cured by and could only be cured after curing them of Scouring Worms. His immense practice has made his treatment a matter of perfection as possible. Many of his patients had paid from \$100 to \$500 for medicine and treatment before seeing him. No one can be cured of these diseases without a scientific examination of all symptoms and complications, and a gentle treatment by an experienced physician. These at a distance can be cured at their homes without an interview. Advice free at 510 Broadway, New York. There are so many successful physicians, Dr. HEATH will merely say he is the author of two elaborate works on Medicine and Surgery and one on Chemicals.

We would respectfully announce to our customers and the public generally that we keep constantly on hand

Cast Steel Drilling Jars

Which for Strength and Durability excel any Steel Lined Jar heretofore in use.

The Advantages we Claim

Over Lined Jars are that, being ALL STEEL, they are stronger than Jars composed partly of Iron; that presenting a Steel surface to the rock, they are protected from wear on the outside, and will keep their shape longer.
