OLD DR. HESTER'S many years' experience in curing the debilitated and diseased, disclosed the startling fact that three-fourths of those suffering with Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Chronic Affections, Diseases of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder, were cured by a medicine he cured after curing them of Scrophulousness. His immense practice has made his treatment a near perfection as possible. Many of his patients had paid from \$100 to \$500 for medicine and treatment before seeing him. No better proof that patients cannot be cured without a searching examination of all symptoms and complications, and a specific treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 731 Broadway, New York. There are so many successful physicians, Dr. HESTER will surely say he is the author of two elaborate works on Medicine and Surgery and on Chemicals.

Drilling Jars.  
We would respectfully announce to our customers and the public generally that we keep constantly on hand  
Cast Steel Drilling Jars  
Which for strength and durability exceed any Steel Lined Jar heretofore in use.  
The Advantages We Claim  
Over Lined Jars are that, being ALL STEEL, they are stronger than jars composed partly of iron, that presenting a steel surface to the rock, they are protected from wear on the outside, and will keep their shape longer.  
We also keep on hand  
Cast Iron Working Barrels.
