**OLD DR. HEATER'S** many year's experi-  
ence in curing the debilitated and diseased  
disclosed the startling fact that three-fourths of  
those suffering with *Dyspepsia, Nervous Debility,*  
*Exhausted Vitality, Consumption, Cancerous Affec-*  
*tions, Dropsy of the Liver, Epilepsy, Paralysis,*  
*and Diseases of the Kidneys and Bladder,* were  
cured by a *remedy* could only be cured after curing them  
of *Scrophulous*. His immense practice has  
made his treatment a *near* perfection as possible.  
Many of his patients had paid from \$100 to \$500  
for medicine and treatment before seeing him. No  
doubt that patients cannot be cured without a  
scientific examination of all symptoms and complica-  
tions, and scientific treatment by an experienced  
physician. Those at a distance can be cured at their  
homes without an interview. Advice free at 710  
Broadway, New York. There are so many unscrup-  
ulous physicians, I. HEATER will merely say he  
is the author of two classic works on Medicine  
and Surgery and one on Chemicals.

We would respectfully announce to our custom-  
ers and the public generally that we keep con-  
stantly on hand

**Cast Steel Drilling Jars**  
Whole for strength and durability excel any Steel  
Lined of hitherto in use.  
**The Advantages we Claim**  
Over Lined Jars are that, being ALL STEEL, they  
are stronger than Jars composed partly of Iron,  
that presenting a Steel surface to the rock, they are  
protected from wear on the outside, and will keep  
their shape longer.  
We also keep on hand  
Cast Iron Working Barrels.
