DR. HEATH'S

many years' experi-

ence in curing the debilitated and diseased

disclosed the following facts: that three-fourths of

those suffering with Dyspepsia, Nervous Debility,

Exhausted Vitality, Consumption, Chronic Affec-

tions, Disease of the Liver, Biliousness, Headache,

and Diseases of the Kidneys and Bladder, were

restored to health and vigor after enduring them

of several months. His domestic practice has

made his treatment near perfection, as possible.

Many of his patients had paid from \$100 to \$500

for medicine and treatment before seeing him. No

less than 12 cases of that nature could be cured with a

single examination of all symptoms and external

conditions, and a scientific treatment by an experienced

physician. Those at a distance can be cured at their

homes without an interview. Advice free at 710

Broadway, New York. There are so many impor-

tant physicians, Dr. HEATH will surely say he

is the author of two elaborate works on Medicine

and Surgery and one on Chemicals.

Drilling Jars.

We would respectfully announce to our atten-

tions and the public generally that we keep on

hand

Cast Steel Drilling Jars

Which for Strength and Durability excel any Steel

Lead Jar heretofore used.

The Advantages we Claim

Over Lead Jars are that, being ALL STEEL, they

require no greasing, and are composed of one piece

that presenting a steel surface to the oil, they are

protected from wear on the outside, and will keep

their shape longer.

We also keep on hand

Cast Iron Working Barrels.
