**LEDDER HEATH'S** many years' experience in curing the debilitated and diseased, discloses the startling fact that three-fourths of those suffering with Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Cancerous Affections, Diseases of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder, were cured by a combination he cured after curing them of Sexual Weakness. His immense practice has made his treatment so near perfection as possible. Many of his patients had paid from \$100 to \$5000 for medicine and treatment before seeing him. No one is to be blamed that patients cannot be cured with the usual course of a combination of all symptoms and complications, and a brief treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 710 Broadway, New York. There are so many unscrupulous physicians, I. E. HEATH will merely say he is the author of two elaborate works on Medicine and Surgery and one on Chemicals.

**Drilling Jars.**  
We would respectfully announce to our customers and the public generally that we keep constantly on hand  
**Cast Steel Drilling Jars**  
Which for Strength and Durability excel any Steel Lined Jar heretofore in use.

**The Advantages we Claim**  
Over Lined Jars are that, being ALL STEEL, they are stronger than Jars composed partly of Iron; that presenting a Steel surface to the rock, they are protected from wear on the outside, and will keep their shape longer.  
We also keep on hand  
**Cast Iron Working Barrels.**
