OLD DR. HEATH'S many years' experi-
ence in curing the debilitated and advanced
cases of the venereal disease, has enabled him to
discuss the matter in a most practical and
satisfactory manner. He has cured many
cases of Syphilis, Gonorrhoea, Cancer of the
Bladder, Stricture, Hemorrhoids, and other
diseases of the Venereal system, which were
considered incurable. His treatment is simple,
and his patients are cured in a few days.
Many of his patients had paid from \$100 to \$200
for medical treatment before consulting him. No
matter how long the disease has existed, or how
far advanced it may be, it can be cured with
a single examination of all symptoms and com-
plications, and a scientific treatment in an ex-
perienced physician. Those at a distance can
write for a free consultation. Advice free at
the Petroleum Centre, Pa. There are many
cases of Syphilis, Gonorrhoea, Cancer of the
Bladder, Stricture, Hemorrhoids, and other
diseases of the Venereal system, which were
considered incurable. His treatment is simple,
and his patients are cured in a few days.

Drilling Jars.
We would respectfully announce to our cus-
tomers and the public generally that we keep on
hand
Cast Steel Drilling Jars
Which for strength and durability excel any Steel
Lined Jar heretofore in use.
The Advantages we Claim
Over Lined Jars are that, being ALL STEEL, they
are stronger than Jars composed partly of Iron,
that presenting a steel surface to the rock, they are
projected from wear on the outside, and will keep
their shape longer.
We also keep on hand
Cast Iron Working Barrels.
