DR. J. H. SUTHERLAND'S every year's experience in curing the debilitated and exhausted condition of the system, and three-fourths of those suffering with *Dyspepsia, Nervous Debility, Debilitated Vitality, Consumption, Cancerous Affections, Diseases of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder,* were cured by and could not be cured after trying them of Sutherland's Medicine. His immense practice has made his treatment a name of perfection as possible. Many of his patients had paid from \$100 to \$1,000 for medicine and treatment before seeing him. No better proof that patients cannot be cured without a searching examination of all symptoms and complications, and a careful treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 114 Broadway, New York. There are so many unscrupulous physicians, Dr. H.S.'s name will surely be the author of two elaborate works on Medicine and Surgery and one on Chemistry.

Drilling Jars.
We would respectfully announce to our customers and the public generally that we keep a steady supply on hand.

Cast Steel Drilling Jars
Which for Strength and Durability excel any Steel Lined Jar heretofore in use.

The Advantages we Claim
Over Steel Jars are that, being ALL STEEL, they are stronger than Jars composed partly of iron, that presenting a steel surface to the rock, they are protected from wear on the outside, and will keep their shape longer.

We also keep on hand
Cast Iron Working Barrels.
