ODOR, HEADS, many years' experi-

ence in curing the debilitated and distressed
disclosed the startling fact that three of the
those suffering with Dyspepsia, Nervous Debility,
Exhausted Vitality, Consumption, Cancerous Affec-
tions, Disease of the Liver, Epilepsy, Paralysis,
and Diseases of the Kidneys and Bladder, were
cured by a mild and safe treatment by an experi-
enced physician. His immense practice has
made his treatment as near perfection as possible.
Many of his patients had paid from \$100 to \$500
for medicine and treatment before seeing him. No
one but those who have been cured by the
searching examination of all symptoms and compli-
cations, and a liberal treatment by an experi-
enced physician. Those at a distance can be cured at their
homes without an interview. Advice free at 710
Broadway, New York. There are so many un-
successful physicians, I. E. HEADS will merely say he
is the author of two elaborate works on Medicine
and Surgery and one on Chemicals.

Drilling Jars.

We would respectfully announce to our custo-
mers and the public generally that we keep con-
stantly on hand

Cast Steel Drilling Jars

Which for Strength and Durability excel any Steel
Lined Jar heretofore in use.

The Advantages we Claim

Over Lined Jars are that, being ALL STEEL, they
are stronger than Jars composed partly of Iron,
that presenting a Steel surface to the rock, they are
protected from wear on the outside, and will keep
their shape longer.

We also keep on hand

Cast Iron Working Barrels.
