OLD DR. HEATH'S many year's experience in curing the debilitated and diseased, disclosed the startling fact that three-fourths of those suffering with *Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Cancerous Affections, Disease of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder,* were cured by and could only be cured after curing them of *Seminal Weakness.* His immense practice has made his treatment a well-known fact, as possible. Many of his patients had paid from \$100 to \$5,000 for medicine and to attempt before seeing him. No fee for proof that patients cannot be cured without a scientific examination of all symptoms and complications, and a scientific treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 210 Broadway, New York. There are no many successful physicians. Dr. HEATH will merely say he is the author of two elaborate works on Medicine and Surgery and one on Chemicals.

Drilling Jars.
We would respectfully announce to our customers and the public generally that we keep constantly on hand
Cast Steel Drilling Jars
Which for Strength and Durability excel any Steel Lined Jar heretofore in use.

The Advantages we Claim
Over Lined Jars are that, being ALL STEEL, they are stronger than Jars composed partly of Iron; that presenting a Steel surface to the rock, they are protected from wear on the outside, and will keep their shape longer.

We also keep on hand
Cast Iron Working Barrels.
