**OLD DR. HEATH'S** many year's experience in curing the debilitated and diseased disclosed the startling fact that three-fourths of those suffering with *Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Cancerous Affections, Disease of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder,* were cured by a mild and easy to be cured after trying them of *Sensational Weakness.* His immense practice has made his treatment a near perfection as possible. Many of his patients had paid from \$100 to \$5,000 for medicine and treatment before seeing him. No better proof that patients cannot be cured without a searching examination of all symptoms and complications, and a scientific treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 710 Broadway, New York. There are so many un-successful physicians, Dr. HEATH will merely say he is the author of two elaborate works on Medicine and Surgery and one on Chemicals.
