**OLD DR. HEATH'S** many year's experience in curing the debilitated and emaciated, the suffering with *Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Cancerous Affections, Diseases of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder,* were cured by and could only be cured after curing them of *Scrophulousness.* His immense practice has made his treatment a near perfection as possible. Many of his patients had paid from \$100 to \$5000 for medicine and treatment before seeing him. No better proof that patients cannot be cured without a searching examination of all symptoms and complications, and a careful treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 710 Broadway, New York. There are so many unscrupulous physicians, Dr. HEATH will merely say he is the author of two elaborate works on Medicine and Surgery and one on Chemicals.
