OIL NEWS.

The Clarion Democrat has the following oil items: Two new wells on the Clarion side of the river, at Parkers, have been completed, and are now throwing oil nicely.

The upper twin well, on the island, at the mouth of the Clarion, was torpedoed last week, and started off at 150 barrels a day. It is now yielding about sixty barrels a day.

A new well on the top of the hill east of Foxburg is producing 25 barrels a day. 14 wells are going down on the Rupert farm adjoining.

The Callensburg test well is being drilled deeper. It is now about 1000 feet deep, and the rock gives good indications of oil.

The drilling tools are again fast in the Alum Rock well.

"POICKRY!"

Enumerating a few of the articles to be found at

L. M. STERNBURG'S

Lumber Yard

Washington-St., Petroleum Centre, Pa.

Friends and patrons, one and all. Your attention to my "biz" I would call;

Times are dull an' money tight, But in these times I'm looking for light;

To those who are building rigs without number, I would inform—this is the place to buy Lumber;

My motto is this: "Quick Sales and Small Profits." For business is healthy and I think much of it;

In quality my Lumber is second to none, And as for Shingles, I keep No. 1;

Some may not look at it in the light I do, And for those I have a quality No. 2;

And to those who are particular—as some may be, I still have another quality called No. 3;

I have good seasoned Lumber, Dressed up nice, Which I will sell at a low cash price;

Such as 4" framing, Ceiling and Siding, both Rough and Dressed, Lath, Battens and Surfaced Lumber, all of the best;

I also have 6" Lumber of all kinds, At prices to compare with oil and hard timber; All kinds of Timber kept constantly on hand, And a box of Cigars of a very good brand;

My facilities for selling are surely without number, I always keep good teams to deliver good Lumber; So if you want Lumber, Rough, Dressed, Soft or Hard, You will find just what you want at L. M. Sternburg's Lumber Yard. 1874-11
