OLD DR. HEATH'S many year's experi-
ence in curing the debilitated and diseased
disclosed the startling fact that three-fourths of
those suffering with *Dyspepsia, Nervous Debility,*
Exhausted Vitality, Consumption, Chronic Affec-
tions, Diseases of the Liver, Epilepsy, Paralysis,
and Diseases of the Kidneys and Bladder, were
caused by and could not be cured after curing them
of *Seminal Weakness.* His immense practice has
made his treatment a near perfection as possible.
Many of his patients had paid from \$100 to \$500
for medicine and treatment before seeing him. No
better proof that patients cannot be cured without a
searching examination of all symptoms and complica-
tions, and a gentle treatment by an experienced
physician. Those at a distance can be cured at their
homes without an interview. Advice free at 210
Broadway, New York. There are so many un-
successful physicians, I. E. HEATH will surely say he
is the author of two elaborate works on Medicine
and Surgery and one on Chemicals.

Drilling Jars.
We would respectfully announce to our customers
and the public generally that we keep on hand
stoutly on hand

Cast Steel Drilling Jars
Which for Strength and Durability excel any Steel
Lined Jar heretofore in use.

The Advantages we Claim
Over Lined Jars are that, being ALL STEEL, they
are stronger than Jars composed partly of Iron,
that presenting a Steel surface to the rock, they are
protected from wear on the outside, and will keep
their shape longer.

We also keep on hand
Cast Iron Working Barrels.
