

The Greatest Improvement
yet developed in
BASE BURNING STOVES,
Is now exhibited in the
ORIENTAL HOT BLAST!
NICHOLSON & BLACKMON, Ag'ts.

Among the most important improvements is the Ciphon flue burning the gas, and heating the base. The latter is a difficulty heretofore unsurmountable and all acquainted with base burning stoves cannot fail to acknowledge this "Eureka." We also have a full line of cheap

PARLOR STOVES,
and are prepared to meet all in price and quality, including six different patterns of **Cooking Stoves.**
The **DICTATOR** we call special attention to, and we warrant every stove. If not satisfactory return them. sept10-11.

Facts are Facts

AND IT IS A FACT THAT
