

The Greatest Improvement
yet developed in
BASE BURNING STOVES,
Is now exhibited in the
ORIENTAL HOT BLAST!

NICHOLSON & BLACKMON, Ag'ts.

Among the most important improvements is the Ciphon flue, burning the gas, and heating the base. The latter is a difficulty heretofore unsurmountable and all acquainted with base burning stoves cannot fail to acknowledge this "Eureka." We also have a full line of cheap

PARLOR STOVES,

and are prepared to meet all in price and quality, including six different patterns of **Cooking Stoves.**
The **DICTATOR** we call special attention to, and we warrant every Stove. If not satisfactory return them.

THE OIL MARKET.
