DR. W. H. REATH'S many years' experience in curing the debility and disease disclosed the startling fact that three fourths of those afflicted with *Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Gonorrhea, After Pains, Dropsy of the Liver, Diabetes, Paralysis, and Diseases of the Kidneys and Bladder,* were cured by a medicine he had discovered after curing them of several diseases. His immense practice has made him eminent in his profession as possible. Many of his patients had paid from \$100 to \$200 for medicine and treatment before seeing him. No longer need that patient be cured with out a search for a remedy of all symptoms and complications, and a specific treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 710 Broadway, New York. There are no many successful physicians, Dr. REATH will surely say he is the author of two thousand cures on Medicine and Surgery and cure on Chemicals.

Drilling Jars.
We would respectfully announce to our customers and the public generally that we keep constantly on hand
Cast Steel Drilling Jars
Which for Strength and Durability excel any Steel Lined Jar heretofore in use.

The Advantages we Claim
Over Lead Jars are that, being ALL STEEL, they are stronger than Jars composed partly of Iron; that presenting a Steel surface to the rock, they are protected from wear on the outside, and will keep their shape longer.
We also keep on hand
Cast Iron Working Barrels.
