DR. HEAVEN'S many year's experience in curing the debilitated and diseased condition of the system, that three-fourths of those suffering with *Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Chronic Affections, Diseases of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder,* were cured by a medicine he had prepared for curing them of *Scrophulousness.* His immense practice has made his treatment so well known as possible. Many of his patients had paid from \$100 to \$2,000 for medicine and treatment before seeing him. No one is to be cured that cannot be cured without a careful examination of all symptoms and complications, and a judicious treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 710 Broadway, New York. There are so many quack and unskillful physicians, Dr. Heaven will merely say he is the author of two elaborate works on *Medicine and Surgery* and one on *Chemicals.*
