OLD DR. HEATH'S

many years' experi-
ence in curing the debilitated and diseased
disclosed the startling fact that three-fourths of
those suffering with Dyspepsia, Nervous Debility,
Exhausted Vitality, Consumption, Chronic Affec-
tions, Diseases of the Liver, Epilepsy, Paralysis,
and Diseases of the Kidneys and Bladder, were
cured by and could only be cured after curing them
of Seminal Weakness. His immense practice has
made his treatment superior to any other method
for medicine and treatment before seeing him. No
be the proof that patients cannot be cured without a
scientific examination of all symptoms and compli-
cations, and scientific treatment by an experienced
physician. Those at a distance can be cured at their
homes without an interview. Advice free at 710
Broadway, New York. There are so many un-
successful physicians, Dr. HEATH will merely say he
is the author of two elaborate works on Medicine
and Surgery and one on Chemicals.
