OLD DR. HEATER'S

many year's experience in curing the debilitated and diseased disclosed the startling fact that three-fourths of those suffering with Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Cancerous Affections, Diseases of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder, were cured by and could only be cured after curing them of Scurvy Weakness. His immense practice has made his treatment as near perfection as possible. Many of his patients had paid from \$100 to \$500 for medicine and treatment before seeking him. No better proof that patients cannot be cured without a thorough examination of all symptoms and complications, and a scientific treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 710 Broadway, New York. There are so many unsuccessful physicians, I, Dr. Heater will merely say he is the author of two elaborate works on Medicine and Surgery and one on Chemicals.
