

# The Greatest Improvement yet developed in BASE BURNING STOVES, ORIENTAL HOT BLAST!

NICHOLSON & BLACKMON, Ag'ts.

Among the most important improvements is the Ciphon flue, burning the gas, and heating the base. The latter is a difficulty heretofore unsurmountable and all acquainted with base burning stoves cannot fail to acknowledge this "Eureka." We also have a full line of cheap

**PARLOR STOVES,**  
and are prepared to meet all in price and quality, including six different patterns of **Cooking Stoves.**

The **DICTATOR** we call special attention to, and we warrant every Stove. If not satisfactory return them. sept10-11.

**The Advantages we Claim**  
Over lined Jars are that, being ALL STEEL, they  
are stronger than Jars composed partly of iron  
this presenting a Steel surface to the rock, they are  
protected from wear on the outside, and will keep

**Lumber Yard**  
Washington-St., Petroleum  
Centre, Pa.

Friends and patrons, one and all,  
Your attention to my "biz" I would call;  
Times are dull an' money tight,  
But in these times I'm looking for light;

To those who are building rigs without number,  
I would inform—this is the place to buy Lumber;  
My motto is this: "Quick Sales and Small Profit,"  
For business is healthy and I think much of it;

In quality my Lumber is second to none,  
And as for Shingles, I keep No. 1;  
Some may not look at it in the light I do,  
And for close I have a quality No. 2;

And to those who are particular—as some may be,  
I still have another quality called No  
I have good seasoned Lumber. Dressed up nice,  
Which I will sell at a low cash price;

Such as Flooring, Ceiling and Siding, both Rough  
and Dressed,  
Lath, Battens and Surfaced Lumber, all of the  
best;

I also have Big Lumber of all kinds,  
At prices to compare with oil and hard timber;  
All kinds of Timber kept constantly on hand,  
And a box of Cigars of a very good brand;

My facilities for selling are surely without number  
I always keep good teams to deliver good Lumber;  
So if you want Lumber, Rough, Dressed, Soft, or  
Hard,  
You will find just what you want at L. M. S's Lum-  
ber Yard. feb 1877
