OLD DR. BEGLEY'S

many year's experience in curing the debilitated and diseased, discloses the fact that three-fourths of those suffering with Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Cancerous Affections, Diseases of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder, were cured by and could not be cured after using them of *Sesquialterina*. His remedial practice has made his treatment as sure, as relief as possible. Many of his patients had paid from \$100 to \$200 for medicine and treatment before seeing him. No one can be cured without a search for examination of all symptoms and complications, and scientific treatment by an experienced physician. These at a distance can be treated at their homes without an interview. Advice free at 710 Broadway, New York. There are so many successful physicians, I, BEGLEY, will merely say he is the author of two elaborate works on Medicine and Surgery and one on Chemicals.
