The Greatest Improvement

yet developed in

BASE BURNING STOVES,

Is now exhibited in the

ORIENTAL HOT BLAST!

NICHOLSON & BLACKMON, Ag'ts.

Among the most important improvements is the Ciphon
burning the gas, and heating the base. The latter is a dif-
ficulty heretofore unsurmountable and all acquainted with base
burning stoves cannot fail to acknowledge this "Eureka." We
also have a full line of cheap

PARLOR STOVES,

and are prepared to meet all in price and quality, including six
different patterns of **Cooking Stoves.**

The **DICTATOR** we call special attention to, and
warrant every Stove. If not satisfactory return them.

Enumerating a few of the articles to be
found at

L. M. STERNBURG'S

Lumber Yard

Washington-St., Petroleum
Centre, Pa.

Friends and patrons, one and all.

Your attention to my "bid" I would call;

Times are dull and money tight.

But in these times I'm looking for light;

To those who are building rigs without number,

I would inform—this is the place to buy Lumber;

My motto is this: "Quick Sales and Small Profit,"

For business is healthy and I think much of it;

In quality my Lumber is second to none,

And as for Shingles, I keep No. 1;

Some may not look at it in the light I do,

And for those I have a quality No. 2;

And to those who are particular—no some may be,

I still have another quality called No.

I have good seasoned Lumber, Dressed up nice,

Which I will sell at a low cash price;

Such as Flooring, Ceiling and Siding, both Rough
and Dressed,

Lath, Battens and Surfaced Lumber, all of the
best;

I also have Big Lumber of all kinds,

At prices to compare with oil and land times;

All kinds of Timber kept constantly on hand.

And a box of Cigars of a very good brand;

My facilities for selling are surely without number

I always keep good teams to deliver good Lumber;

So if you want Lumber, Rough, Dressed, Soft or
Hard,

You will find just what you want at L. M. S's Lum-
ber Yard. 1818-1879
