KISSED HER FOR ANOTHER.—An amusing
little incident occurred at the depot yester-
day. A near sighted man was awaiting the
arrival of his sister from the East.—
When the train came in he hurried out of
the station house, and seeing a lady step-
ping off a platform of a car, he thought he
recognized her as his sister. Thus thinking
and thrilling with affection, he warmly em-
braced and heartily kissed her, to her in-
tense astonishment, as she happened to be
a stranger. There was no swooning, as
the lady had common sense, and gracefully
accepted a frank explanation.—Terre Haute
Express.

The Terre Haute Express says: There
is a bachelor in that city who has been en-
gaged to be married six times, and has
been so slow in getting ready to face the
parson, that each of the young ladies on
whom he proposed to confer the honor of his
name, has tired of waiting and taken another
partner. The last time we saw the poor
old slow coach, he was walking on Main
street with the half grown daughter of his
first love. Perhaps he was thinking:
"Of all sad words of tongue or pen,
The saddest is these—it might have
been."

A Grecian-bend foot-race is announced
among the novelties of the Virginia State
Fair. The ladies will run bend foremost,
and the prize will be a silver bustle. Twen-
ty-six entries have been recorded. There'll
be a rumpus.

A saloon near the New York Express of-
fice, on Park Row, advertises "Smythe
Cocktails, Fulton Lager, and Hilton Wine,
warranted harmless."

OLD DR. HEATH'S many year's experi-
ence in curing the debilitated and diseased
disclosed the startling fact that three-fourths of
those suffering with *Dyspepsia, Nervous Debility,*
Exhausted Vitality, Consumption, Cancerous Affec-
tions, Disease of the Liver, Gallbladder, Paralysis
and Diseases of the Kidneys and Bladder, were
cured by a medicine which could only be cured after trying them
of *Seminal Weakness.* His immense practice has
made his treatment a near perfection as possible.
Many of his patients had paid from \$100 to \$5,000
for medicine and treatment before seeing him. No
better proof that patients cannot be cured without a
scientific examination of all symptoms and compli-
cations, and a scientific treatment by an experienced
physician. Those at a distance can be cured at their
homes without an interview. Advice free at 710
Broadway, New York. There are so many un-
successful physicians, Dr. HEATH will surely say he
is the author of two elaborate works on *Medicine*
and *Surgery* and one on *Chemicals.*
