Drilling Jars

We would respectfully announce to our custo-
mers and the public generally that we keep con-
stantly on hand

Cast Steel Drilling Jars!
Which for Strength and Durability excel any Steel
Lined Jar heretofore in use.

The Advantages we Claim
Over Lined Jars are that, being ALL STEEL, they
are stronger than Jars composed partly of Iron;
that presenting a steel surface to the rock, they are
protected from wear on the outside, and will keep
their shape longer.

We also keep on hand
Cast Iron Working Barrels

OLD DR. HEATH'S many years' experi-
ence in curing the debilitated and abused
declared the startling fact that 75 per cent of
those suffering with Dyspepsia, Nervous Debility,
Exhausted Vitality, Insomniac, Chronic Affec-
tions, Diseases of the Liver, Gallbladder, Paralysis
and Diseases of the Kidneys and Bladder, were
cured by and could only be cured after curing them
of **Neuralgia**. The immense practice has
since the treatment of a year, profited as possible
Many of his patients had paid from \$100 to \$2000
for medicine and treatment before seeing him. No
one can be cured without a search, examination of all symptoms and compli-
cations, and a scientific treatment by an experienced
physician. Done at a distance can be done at their
houses without an interview. Advice free at 710
Broadway, New York. There are no money making
successful physicians. Dr. Heath will merely say he
is the author of two elaborate works on Medicine
and Surgery and one on Chemicals.
